

TAILORED INSURANCE for FINE WINE

Our exclusive program for Wine Services Alliance members providing insurance for fine wines and collectible liquors

Most insurance policies are not designed to accommodate the risks or loss settlement challenges a wine collection presents. The **Ellis Insurance** and **Wine Services Alliance** partnership brings a tailored insurance program for fine wines and collectible liquors to clients.

Features & Benefits:

Preferred pricing & expedited underwriting

Pre-underwritten for partner locations. Exclusive, preferred pricing is available to members

Simple administration

With blanket coverage insure an entire collection under one limit, or itemized coverage for more unique collections.

Broad coverage

Coverage is “all-risk,” protecting collections from a wide spectrum of perils.

Why the Wine Services Alliance Program?

Single point of contact

Experienced account managers and underwriters handle all aspects of the program ensuring dedicated resources who understand your needs.

Web-based application

Online application saves you time and simplifies the process

Exclusive coverage

New purchase protection, coverage for wine in transit, and low deductibles are just part of this comprehensive and exclusive program
